

The Safest Nationwide Pet Transport

Moves and other transitions can be hard on you and your pet, so My Pet Cab does everything we can to make it easier! Our services combine expert pet handlers with specialists in the transportation industry. Your pet travels in comfort and style with pet-loving professionals so you can rest easy knowing that they're in good hands.

My Pet Cab offers transportation between our 14 hubs across the continental U.S. as well as door-to-door service to and from our regional hubs.

Here's a quick look at one dog's journey; you can see his full story [here!](#)

Day 1: Pickup at home in Chicago, IL ----- Ride 1st class in a class-A RV from Chicago to Dallas

Day 2: Drop-off at home in Dallas, TX

6 Reasons to Choose My Pet Cab

We have more than 35 years of experience in the transportation industry, including executives from FedEx. We're also passionate about pets! Talk with a driver, sales team member, or regional director and you will quickly see the My Pet Cab difference.

Comfortable, Low-Stress Travel

Your pet rides inside a class-A RV with carefully monitored temperature control and A/C backup.

Professional Driver Teams

Each driver is certified in pet-handling and our two-driver teams assure someone is always able to tend to your pet's needs.

24/7 Monitoring

Our RVs are equipped with 24/7 camera monitoring and diagnostic tools to continuously monitor your pets' travel conditions.

Real-time Updates

Drivers and dispatch keep you updated during your pet's journey with tracking and real-time updates via email and text.

On-call Veterinarians

If a driver team is concerned about your pet's health or stress, they contact one of our on-call, 24/7 veterinarians (we have relationships with clinics across the U.S.).

Transparent Pricing (and Automated Quoting)

Our pricing structure is simple with no hidden fees, and our online form provides immediate quotes.

Trusted For a Reason

At My Pet Cab, we go the extra mile to ensure you and your pets are protected.

Member of the International Pet & Animal Transportation Association (IPATA).

The only pet transport with IPATA-trained drivers with access to on-call vets.

Interior and exterior monitoring cameras plus temperature control and dual A/C.

24/7 dispatch team available to ensure your pet arrives on time no matter what.

The People Behind the Pets 🐾

The My Pet Cab family is a team of animal enthusiasts and transport professionals who love connecting people with their pets. We provide two-legged customers with a worry-free way to transport their pet, and give four-legged customers a safe, comfortable ride.

"Most amazing experience ever! My pup was delivered safe and sound straight into my arms right at my front door! Thank you!"

- CRYSTAL ADAMS

"Excellent and friendly service. Communicated arrival time and were well within their window."

- KINTA GALLMANN
